### Parkview Dental/Canadian Tire Bantam C

The Parkview Dental/Canadian Tire Bantam C girls team, bottom right, traveled to Oakwood for an exhibition game on Saturday. Although the Jets came out on the bottom, with a 4-1 win for the Lindsey Lynx, the girls skated hard, controlled the play for the majority of the game and a good effort was put in by all. The Jets lone goal was scored by Emma Neuman and assisted by Marissa Cannon. We are optimistic that with more time on the ice and experience playing together that they will be a team that will soar to

new heights? throughout the season.
