Yarn-bomb means a lot to me

To the Editor,

As one of the remaining grandsons of the late Const. Thomas Kehoe, I would like to express my gratitude to the citizens of Bancroft for commemorating my late grandfather on Remembrance Day.

I was unable to attend the original bridge dedication ceremony in his honour on July 25, 2015 as I was battling cancer at the time.

I observed on a news report last night (Nov. 6) that some of your citizens have knitted poppies that have been put on display on the bridge.

My heartfelt thanks to all involved.
