

Pepin's No Frills celebrates a decade in business

Pepin's No Frills celebrated their 10th year anniversary in Bancroft on Tuesday, Nov. 17.

Not only have they been a staple here in town as a grocery chain but have also been an important part of raising funds for our local charities.

In the past 10 years they have raised over \$100,000 for our local Hospital during the round up campaign, helped four local families with money raised for President's Choice Children's Charity, raised over \$25,000 for HART Animal Rescue and Bancroft's local food bank has always been Pepin's large focus. Congratulations on the past 10 successful years.
