

Shamrock club highlights

Even a winter storm couldn't deter members of our club from coming to our monthly potluck on Feb 25. It was a small gathering of only eight people, but still had great cuisine. Kah Boundy step in for our president Bill English and said grace as well. Jim Danyluck told us one of his famous jokes which had us in stitches. He also won our 50/50 draw.

With no guest speaker, our little group discussed our love of food and exchanged our favourite recipes. We shared some great conversation as well as some laughter before heading out in the storm for home. Our next potluck is on March 31.
