

Thanks for a memorable night

Letter to the Editor,

This is extremely fortunate to have the staff operating our Hospice House. This past Saturday evening's gala was another fine example of the hours and weeks of planning along with a week of work preparing decorations, tables, games, silent auction tables, etc. The effort in planning, the volunteer hours, and there were a ton of volunteers, in order to not have any one person overworked is amazing. We also need to thank our resident chef on another fine dinner. Organizing his staff is another feat. Thanks to all of the volunteers and staff for a fine memorable evening.
